An Invitation

To All Townspeople and to Any Other Interested Parties

A Note about This Year’s Meeting and Voting

Due to the COVID-19 pandemic, meeting in person will not be possible in March. The Selectboard has decided to hold the vote on Town Meeting Day, Tuesday, March 1, 2022, at the Town Office. This decision was made pursuant to S. 172, An act relating to authorizing alternative procedures for 2022 annual municipal meetings in response to COVID-19, signed by Governor Scott on January 14th, 2022.

An informational meeting will be held on Tuesday, February 22, 2022, at 7 PM by Zoom as required in S. 172. The informational meeting warning will be posted at least 10 days prior. Information about accessing the meeting will be available on the town’s website or by calling the Town Clerk. You may either call in by telephone or join through your computer, telephone, or tablet.

Voting will be conducted by Australian ballot for all articles as allowed by S. 172. Voters may cast their ballot in person at the Town Office between 10:00 AM and 7:00 PM or by requesting an absentee ballot through the State’s My Voter Page at https://mvp.vermont.gov or from the Town Clerk.

This change in voting is for 2022 only. We will return to meeting in person and voting from the floor and by paper ballot as soon as conditions are safe to do so.

Budget and Appropriations

PLEASE NOTE that the Appropriation requests in Article 4 are NOT included in the final budget amount in Article 9.

ORINANCE FOR THE CONTROL OF DOGS

Pursuant to Article 24 V.S.A. §2291 (10) and 24 V.S.A. § 1974 (a), the Selectman of the Town of Hancock hereby adopt the following ordinance relating to the regulation of keeping of dogs and providing for their leashing or restraint within the Town of Hancock.

1. DEFINITIONS: A dog “running at large” shall mean a dog which is not (a) on a leash, or (b) on or within a vehicle, or (c) on the property of its owners or his agent, or (d) clearly under the verbal command of its owner or his agent, or (e) hunting with its owner or his agent.

2. A person shall not allow a dog to run at-large within the limits of the Town of Hancock.

3. A person shall not permit any female dog "in heat" to be outside a building or outside a fenced enclosure.

4. A person shall not permit a dog to bark excessively, or to otherwise become a public nuisance, or to create a disturbance.

5. The Hancock Town Animal Control Officer shall be the chief enforcement office of this Ordinance.

6. The Animal Control Officer and any law enforcement officer may use all reasonable methods for catching and Impounding a dog in violation of this Ordinance, including the use of tranquilizing and marking apparatus.

7. The Animal Control Officer or any law enforcement officer may impound a dog found in violation of this Ordinance at the pound, and upon complaint, shall Impound any dog found in violation of this Ordinance.

8. The procedure for claiming or releasing a dog from the pound shall be as follows:

A. Upon delivery to the pound, the pound attendant shall notify the dog's owner, if the dog is licensed. The dog shall be held for three (3) days after the owner is notified, unless claimed earlier.

B. If the dog is unlicensed, the pound attendant shall notify the radio station of the dog's description, and the dog shall be held for three (3) days after the first broadcasting of the dog's description, unless claimed earlier.

C. If the owner does not claim the dog within the three (3) day period, the dog shall be given to whoever pays the pound fees, rabies shots, and any other necessary fees.

D. If no person claims the dog, the dog may be humanely destroyed, and the Town shall pay all necessary fees.

E. No dog shall be release from the pound until it is properly licensed, and all pound and other charges are paid.

9. A person claiming the dog from the pound shall pay a reasonable fee for the dog's board, all fees for licensing, and all other necessary charges and expenses incurred by the pound. In addition, such person shall pay to the pound for the benefit of the Town the sum of Ten dollars ($10) to compensate the Town for its reasonable expenses in enforcing this Ordinance.

10. A person who violates this Ordinance shall be fined not more than One Hundred Dollars ($100).

11. If any part of this Ordinance is held to be invalid, such holding shall not affect the remaining portions of this Ordinance, which shall remain in full force and effect.

12. This Ordinance shall be effective as agreed May 1, 1974 and adopted by the Board of Selectmen for the Town of Hancock herein.

WARNING OF TOWN OF HANCOCK, VERMONT
ANNUAL MEETING MARCH 1, 2022

The legal voters of the Town of Hancock, VT, are hereby warned and notified to meet at the Town Clerk’s Office in said town to transact the following business:

**Article 1:** To elect a Town Moderator for the next year ensuing

**Article 2:** To elect all Town Officers as required by law:
- Town Clerk—three-year term
- Town Treasurer—three-year term
- Select Board member—three-year term
- Lister—three-year term
- Auditor—three-year term
- Constable—one-year term
- Collector of Delinquent Taxes—one-year term
- Cemetery Commissioner—three-year term
- Road Commissioner—one-year term
- Library Trustee—five-year term
- Advisory Budget Committee—three-year term
- White River Valley Ambulance Representative—one-year term

**Article 3:** “Shall the voters authorize the elimination of the Office of Lister and replace it with a professionally qualified assessor appointed by the select board who shall have the same powers, discharge the same duties, proceed in the discharge thereof in the same manner, and be subject to the same liabilities as are prescribed for listers or the board of listers under the provisions of Title 32?” (by ballot)

**Article 4:** Shall the voters appropriate a total of $35,035.54 to the following social service agencies pursuant to 24 V.S.A. § 2691:

- **Vermont Family Center**—Supports families with young children
- **Hancock Town Pride**—Provides cultural events and opportunities in Hancock
- **Green-Up Vermont**—Supports Green Up Day
- **Vermont Adult Learning**—Provides adult learning opportunities
- **WomenSafe**—Provides help related to sexual and domestic violence to all genders
- **John Graham Shelter**—Provides emergency shelter
- **Tri Valley Transit (Stagecoach)**—Provides regional mass transit
- **Central Vermont Council on Aging**—Assistance to seniors accessing social services
- **Park House**—Senior housing non-profit
- **Clara Martin Center**—Provides mental health services
- **Visiting Nurse Alliance of VT/NH, Inc.**—Provides home healthcare and hospice services
- **Quin-Town Senior Center**—Provides Meals on Wheels services to valley seniors.
- **White River Valley Ambulance** (approx. $65 per capita)—Ambulance services residents
- **Granville Volunteer Fire Dept. First Responders**—First responder services to valley towns
- **VT Rural Fire Protection**—Technical assistance for rural volunteer fire departments
- **Addison County Restorative Justice**—provides restorative justice programs to Addison County residents (court diversion, etc.)

**TOTAL** $35,035.54
**Article 5:** Shall the voters authorize the Town Treasurer to transfer the balance from the Road Commissioner’s Money Market Account to the Highway Capital Fund.

**Article 6:** Shall the voters authorize the Town Treasurer to transfer the balance from the Fire Department budget into the Fire Department Equipment Fund.

**Article 7:** Shall the voters authorize the Select board to apply the remaining balance in the General Fund of FY 21-22 to reducing the next fiscal year’s amount to be raised by taxes.

**Article 8:** Shall the voters authorize the Town Treasurer to collect current taxes pursuant to 32 V.S.A. § 4791, and if so, to set the payment dates. The dates being of four equal installments dated August 15, 2022; November 15, 2022; February 15, 2023, and May 15, 2023.

**Article 9:** Shall the Town of Hancock appropriate the sum of $377,116.00 to pay the current expenses for the general and highway funds for the ensuing twelve months, with 2021 - 2022 taxes becoming delinquent after May 15th, 2023, and with the County and State taxes to be paid from the general fund.

Dated this 4th day of January 2022

By the Select Board of the Town of Hancock, VT

GOVERNMENT BONDS REPORT FOR FISCAL YEAR JULY 2018-JUNE 2019

Series HH Bonds:

D3963456HH $ 500.00
D3963457HH $ 500.00

Currency: $ 7.50

As authorized by the selectboard the principal amount of the matured bonds has been reinvested into a CD at the Randolph National Bank. The interest earned being deposited into the Money Market Account.

Hancock's U. S. GOVERNMENT BONDS: a short history
Up until 1965 the following paragraph was included with the bonds report giving a short explanation of how they came into being -

"Because all, or parts, of various lease lots have been sold to the federal government to be incorporated in the Green Mt. National Forest, the selectmen have seen fit to set up the following trust fund. The revenue received from this fund is expected to reimburse the town for the loss of the annual lease money."

The funds began around 1940. The cash balance shown above also comes from the sale of the lease lots.

SURETY BONDS FOR FISCAL YEAR JULY 2020-JUNE 2021

Through the Town's insurance policy with the Vermont League of Cities and Towns, all town officials and town employees are covered under a blanket policy for up to $500,000.00 for the fiscal year of July 2020 through June 2021

TOWN OF HANCOCK
Hannock Vermont Tax Administration
Delinquent Tax Roll as of 06/30/2021
INDEPENDENT AUDITOR’S REPORT

The Select Board
Town of Hancock, Vermont

We have audited the accompanying modified cash basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Hancock, Vermont, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Town’s basic financial statements as listed in the table of contents.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of these financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified and qualified audit opinions.

Basis for Qualified Opinions on Governmental Activities and General Fund

The Town’s fire department and delinquent tax collector maintain separate bank accounts which are not under the supervision of the Treasurer. The beginning and ending balances of these accounts and related activity are not included in the Town’s financial statements. The amount by which these bank accounts would affect the assets, liabilities, fund balances, revenues and expenditures of the governmental activities and General Fund has not been determined.

Qualified Opinions

In our opinion, except for the effects of the matter discussed in the “Basis for Qualified Opinions on the Governmental Activities and General Fund” paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities and General Fund of the Town of Hancock, Vermont as of June 30, 2021, and the changes in financial position thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.
The Select Board  
Town of Hancock, Vermont

Unmodified Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund, other than the General Fund, and the aggregate remaining fund information of the Town of Hancock, Vermont, as of June 30, 2021, and the respective changes in financial position for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Hancock, Vermont's basic financial statements. The combining schedules of nonmajor governmental funds and budgetary comparison information, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining schedules of nonmajor governmental funds are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining schedules of nonmajor governmental funds are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The schedule of budgetary comparison information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated, September 7, 2021, on our consideration of the Town of Hancock, Vermont's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Town of Hancock, Vermont's internal control over financial reporting and compliance.

SELECTBOARD REPORT

Dear Friends and Neighbors,
As I write this, we are entering into a second challenging winter. The communities of the Valley continue to come together to try to solve our challenges in new and creative ways. As always, we want to thank all those who serve as elected officials and who volunteer their time to the town and the community in general. Truly, this work could not be done without you. Thank you for all you do.

Highlights of the year

- We have contracted with an auditing firm to regularly audit our books and to ensure that we are following best practices.
- The Town Plan is almost completed at the time of this writing (December). Thank you to all who have contributed to this process.
- Work on the Hazard Mitigation Plan will be complete before summer. This plan was developed following Irene and must be revised every 10 years. This plan is required for better FEMA funding in the event of a disaster and ensures that we have a plan of action in place in the event of another emergency, natural or otherwise.
- Dan Perera has been working hard on scheduling roadwork and developing plans for grant applications for future road work.

This year, I will not be running for re-election. After 8 years on the board, I feel it is time for new ideas and new people. It has been a very fulfilling time working on the select board and I cannot express how grateful I am to have been given this opportunity to serve the town and to learn more than I could ever say. The position of select board member, as with all town positions, has evolved over the last few years. It is a wonderful opportunity to develop professional skills, learn about the governmental process and all the moving parts that go into running a town while serving your community. I’m happy to talk to anyone who is interested in pursuing this path.

We urgently need volunteers to fill open positions – particularly the Planning Commission, a Health Officer, and Animal Control. Currently, the select board is filling many open roles in addition to the other work we do. We are all busy and these positions do not necessarily pay but they do contribute significantly to making this town a community and tend to be relatively low in time requirements. We hope you will join us.

Select board meetings are open to all and take place on the 1st and 3rd Tuesdays of every month at 6 pm. Due to COVID-19, we are meeting in person with masks required, or via Zoom, accessible by computer and telephone. Meeting information is available on the town website – www.hancockvt.org or by calling the town offices. We look forward to having you share your concerns and ideas with us. If you cannot make the meeting, please contact us to share your thoughts.

Respectfully submitted,

*Monica Collins, Chair*

Daniel Perera, and Scott Gillette
Town Clerk’s Report

Thank you to our dedicated selectboard members, committee members, trustees, and community members for working together to navigate business during another year of the COVID pandemic. Your hard work is noticed and appreciated.

A special thank you to Janet Jesso, Eva Jesso, Roger Comes, and Becky Klein for always being ready to lend a hand or ear at a moment’s notice. It’s only together that we can move business forward during difficult times. This fall we welcomed Marjorie Ross to our team as Assistant Town Clerk. Her willingness to learn the intricacies of the job is commendable.

I am looking forward to continuing to serve as Hancock’s Town Clerk and Treasurer for another term. The knowledge gained with each year is invaluable, and I look forward to continuing to build upon it.

The office remains open despite the many challenges presented by the pandemic. Appointments are recommended and encouraged to ensure that you receive the best service possible. Our normal public access hours are currently Monday 1PM–4PM, Tuesday 9AM–2PM, Thursday 9AM–12PM. Our front door remains locked for security reasons, so please knock on the door when you arrive so we know you’re out there! We also have a newly installed secure drop box for items that need to be left after hours.

Much work takes place behind the scenes here at the office, and appointments continue to be available outside of normal public access hours for residents needing to conduct business in person; simply call to make arrangements for this service. Also note that plans are in the works for expanded public access hours in the new fiscal year.

Respectfully submitted,

Jody Jesso
Town Clerk/Treasurer
Road Commissioner Report

Road work in 2021 included ditch cleaning, ditch repairs, and culvert maintenance on most roads in Hancock. A ditch repair project on Fassett Hill Road was completed with a grant that covered 80% of construction costs. This project was part of an ongoing effort to keep the town compliant with stormwater runoff regulations so that we are eligible for funding in the event of future stormwater damage. Additional grant-funded ditch work is scheduled for 2022.

In addition, most of the town’s gravel pile was spread on town roads. The remaining gravel will be spread next summer.

A grant was secured to fund 80% of an engineering study for the replacement of a culvert at the intersection of Tucker Brook Road and Shampeny Hill Road. Grant funding will be pursued in 2022 for the construction of the new culvert.

In all, more than $14,000 of grant funds were secured for Hancock road work in 2021.

Efforts will continue in 2022 to secure additional grant funding to supplement road maintenance and repair costs.

Respectfully submitted,

Dan Perera
Road Commissioner
Hancock Free Public Library Report

With the second year of new and different challenges the Hancock Free Public Library continues to adapt to serve the needs of our patrons. We have been open for browsing during part of the year. We continue to provide curbside and porch pickup for the entire year. Our WIFI is available 24/7 from the parking lot and does not require a password.

We have been privileged to receive grants to continue our existing programs and establish new ones.

Halloween provided an opportunity to “treat” the children to a free book of their choice. Family Game Kits are available upon request.

The Green Mountain Consortium, or perhaps better known as Listen Up Vermont, provided 657 readers and listeners with books for their enjoyment.

Inter Library Loan (ILL) has been busy providing books to our patrons that we do not have in our collection. Though we are not a stop on the courier delivery system, the Hancock Post Office provide the necessary transportation for the books.

Our Adopt an Author Program continues to provide the latest book releases of authors Chris Bohjalian, Janet Evanovich and John Grisham. If you too have a favorite author and would like to donate to the library their newest release, please call the library to make arrangements for the Adopt an Author Program.

Museum passes are available year-round. Summer passes are more plentiful but many indoor museum venues are available during the winter season. There are both free and discounted passes depending on the museum.

Valley Readers Book Club continues to meet via Zoom. Their monthly meeting is the 2nd Thursday of the month. Discussion books are provided by the Friends of the Hancock Free Public Library and are available at the library. Call to reserve your copy.

To contact the Hancock Free Public Library you can call (802-767-4651) or email: Hancockvttlibrary@gmail.com.

Friends of the Hancock Free Public Library - 2021 Report

The Friends of the Hancock Free Public Library formed in 2012 to support the Hancock Free Public Library (HFPL). During this time, we’ve shown that support in a variety of ways including holding programs and events and buying books and materials.

The last two years COVID-19 has made it necessary to cancel workshops and events that the Friends would have normally been organizing and sponsoring. On a positive note, our book discussion group, Valley Readers, has continued to meet by moving to Zoom. The group meets at 6pm the second Thursday of these months - January-June & September-November.

If you’d like to help support the Friends, there are many ways to do so:

- There is a book discussion group, Valley Readers, which has been going strong for nine years. The group meets the second Thursday of the month at 6pm and anyone is welcome to join. Currently the meetings take place over Zoom, so please reach out if you’d like to be included.
- Our Adopt an Author program is in its fifth year and is a fun way to expand the collection. Ask at the HFPL how you can take part.
- A nice way to remember a loved one, or honor a friend or family member, is to donate to the Friends. The money is used for books and programs to support the HFPL. Friends is a 501(c)(3) nonprofit organization.
- Friends of the Hancock Free Public Library has a Facebook page with information on events and activities so please "like" the page to keep up with the latest happenings.
- Consider joining the Friends group. Donation levels start as low as $10/year.

If you’d like more information on the Friends, please contact Jill Jesso-White, President, at 767-4128.
Hancock Town Pride - Annual Report for 2021

While COVID has continued to impact our activities, Hancock Town Pride was still able to bring some normalcy to 2021. Hancock Town Pride has been working consistently for eleven years on these three goals: beautifying the town, holding events and activities and fostering community spirit. This past year made it challenging to hold events and activities, but we were still able to do some things to meet our goals.

We continued our annual tradition of distributing sunflower seeds to anyone interested on Memorial Day. Thanks to Ross Parker and Denise Chapin for the donation of seeds. We also handed out sunflower seedlings planted and donated by Meg Brown, so a big thanks to her as well. We planted the beautiful planters at the base of the bandstand and the wooden barrels with flowers at various locations around town. A big thanks to Dorothy Robson for taking the lead on the planters. Thanks also to all our volunteer waterers who helped with the flowers all summer. All the sunflowers around town looked great.

In 2021 Hancock Town Pride presented six summer concerts on the Hancock Town Green to appreciative audiences, following the cancellation of our 2020 season over COVID concerns. These concerts were free to the public and were paid for by the committee’s past fund-raising events, as well as by some contributions from audience members. As a cautionary COVID measure, no food was served at the concerts, and the Fire Station restroom was available only for performers. Due to wet weather, three of the performances were held indoors at the Hancock Town Hall.

On July 8, Rick Redington and The Luv opened the concert series with their unique blend of original music for vocals, guitar, bass and percussion. The following week the sounds of The Panhandlers, a Caribbean steel drum band, rang through the valley on a perfect summer evening. July 22 brought us VT Bluegrass Pioneers, with veteran performers we’ve enjoyed hearing in other summer concerts. The annual Pete Seeger Memorial Concert was held the last Thursday in July, with members of the Seeger family and musicians from the valley performing songs identified with folk icon Pete Seeger. The first week of August brought us music of the Michele Fay Band, with many original songs written by the band’s leader who hails from Ripton. We ended the season on August 12 with music by the Hancock Coffeehouse Singers, a group of local musicians who have traditionally performed at benefit coffee houses in the valley. All concerts were well received, with many inquiries about what we would be hearing next season.

We’ve been pleased to be able to offer these free outdoor family-friendly concerts, as part of our mission to provide activities and entertainment for residents of Hancock and nearby towns. All are invited to come with their own chairs or blanket and enjoy good music, surrounded by our beautiful Vermont scenery.

In early December we purchased wreaths to hang on our municipal buildings and the bandstand. They looked very festive through the holiday season.

We always welcome new members to join us! We have a Facebook page where we post announcements. Please “like” our page! We would love to hear your ideas and feedback as we work toward adding to the beauty and community spirit of our town.

Respectfully Submitted,
Hancock Town Pride

Green Up Day
May 7, 2022

Green Up Day on May 1, 2021 was a huge success thanks to nearly 22,000 volunteers statewide who Greened Up. The infographic shows that all your hard work to beautify Vermont is needed and that it makes a difference. It’s more than just a day to live, work, and play; it’s a special place to call home. As one of Vermont’s favorite holidays, it’s imperative for today and for future generations to keep building pride, awareness, and stewardship for a clean Vermont environment.

Support from your municipality is essential to our program. Funds help pay for Green Up Day supplies, promotional outreach, and educational resources including activity books, contests for kids, and a $1,000 scholarship.

Along with Green Up Day, we work year-round to further our impact with waste reduction initiatives, additional clean-up efforts, and educational programs.

Green Up Vermont is a private nonprofit organization that relies on your town’s support to execute the tradition of cleaning up our roads and waterways, while promoting civic pride, and community engagement. Thank you for your support of this crucial program that takes care of all our cities and towns.

Your donations make a huge impact and can be made on Line 23 of the Vermont State Income Tax Form or anytime online at www.greenupvermont.org.

Visit our website, like us on Facebook (@greenupvermont), and follow us on Instagram (greenupvermont). greenup@greenupvermont.org 229-4586

PROGRAM DESCRIPTION:

Vermont Adult Learning (VAL) offers a variety of learning opportunities to help adults achieve their educational goals and enhance their quality of life. We work with each student to develop an individualized learning plan that includes a transition to further education or employment. We offer GED testing, programs for completing a high school diploma, basic skills instruction in reading, writing, and math, and classes for English Language Learners (ELL). Instruction is also available to students who need skill preparation for college or employment purposes.

In addition, we are contracted by the Vermont Department of Children and Families to place and support Reach-Up participants in unsubsidized work experiences. Our programs are free and confidential.

We are grateful to the townspeople of Hancock for supporting the services we provide.
In the fiscal year ending June 30, 2021 WomenSafe staff and volunteers provided the following total services:

- 511 total adults and children served through advocacy and supervised visitation services.
- 8,300 in-person meetings and phone calls through the advocacy program.
- 410 supervised visits and orientation meetings for 18 families including 25 children.
- Worked with the parents/caregivers of a total of 330 children exposed to violence.
- Prevention programming reached 1,784 youth and adults through 438 presentations and outreach events.
- 66 volunteers donated 7,861 hours of services.

**HANCOCK**

In Hancock, WomenSafe provided advocacy services to at least 3* residents including the parents and caregivers of 2 children.

* For safety, some people do not share their town of residence.
REPORT TO HANCOCK ON
TRI-VALLEY TRANSIT (TVT), FORMERLY STAGECOACH, SERVICES
October 2021

Thank you for the Town of Hancock’s generous support last year. During the past four years, your support helped TVT provide an annual average of 375 free trips for Hancock residents either by volunteer drivers or on wheelchair accessible vehicles. Tri-Valley Transit’s Dial-A-Ride and Shuttle Bus Systems provided a total of 123,974 rides for the year. All our transportation programs enable community members to maintain their independence, gain and keep employment and access critical healthcare and quality-of-life services.

During the COVID-19 outbreak, public transportation has been on the frontlines of providing essential service to many of the most vulnerable members and essential workers of our communities. TVT has revamped its service to protect riders, the general public and staff, focusing on riders with no other means of transportation but whose trips are essential: healthcare staff getting to work and patients accessing dialysis, cancer, and opioid addiction treatment. We also added free food delivery service for at-risk members of the community. Unfortunately the pandemic lingers on with new variants of the virus that are more than 2x as contagious as previous strains and can be passed to unvaccinated people by those who are vaccinated but may not be experiencing symptoms. We remain vigilant to protect riders, staff and volunteers from COVID.

To protect everyone, we have worked hard to:
- install protective shields between seats,
- implement pre-ride screening techniques to ensure drivers and riders are not COVID risks,
- ensure all vehicles are frequently sanitized and hand sanitizer is available,
- require face masks to be worn in our vehicles and facilities, and supply them as needed.

The state and local grants through which we provide these services require us to raise 20% "local match" dollars. TVT’s requests from towns account for approximately 5% of the 20% requirement. TVT seeks the other 15% from other sources including businesses, institutions, individuals, and grants.

Please include this in your town report as space allows. Thank you!

A World Where Aging is Honored
CVCOA Helpline 1-800-642-5119

- Information & Assistance staff counsels older Vermonters and families on the many available benefit programs and services, such as 3SquaresVT, seasonal fuel assistance, housing, and more.
- Case Managers work with clients in their homes to assess needs and develop, implement and coordinate individualized long-term care plans.
- Nutrition Services oversees the menu development and technical assistance for home-delivered and Community meals and provides the largest source of funding for the 14 meal sites that prepare and deliver these meals.
- State Health Insurance Program (SHIP) provides personalized Medicare counseling, Medicare & You workshops (now on Zoom), and enrollment assistance for Medicare Part D plans.
- Family Caregiver Program promotes the well-being of the family members serving as caregivers to loved ones, including administration of the Dementia Respite Grant, which provides much needed financial assistance for respite, training, and Memorable Times Café/Memorable Times Online.
- Volunteer Programs provide direct service to community members. Volunteers offer companionship, transportation, assistance with technology, organizing, wellness classes, meal delivery, special event support, errands and grocery shopping, yardwork, creative guidance, and more.
- Special Projects and Programs are designed to help alleviate social isolation and loneliness, addressing the accessibility gap for homebound older adults.

In FY21, CVCOA mobilized 450 volunteers to provide direct service, deliver meals on wheels, support meal sites, provide wellness classes, assist with Medicare information, provide companionship and creative encouragement, and more. These volunteers served 32,870 hours in Central Vermont communities.

CVCOA served 3,070 unduplicated clients in FY21, plus 6,565 additional interactions with community members for outreach and support. CVCOA services are free of charge. We do charge a modest stipend to private employers who request our Medicare & You workshop for their employees.

All of us at the Central Vermont Council on Aging extend our gratitude to the residents of Hancock for their ongoing commitment to the health, well-being, independence, and dignity of older Vermonters in the Hancock community and throughout Central Vermont.

Hi Hancock Neighbors!

It’s hard to believe another year has flown by. 2021 started off as crazy as you could imagine. After almost a year of working together to keep everyone safe here at Park House and having our vaccinations scheduled, we ended up with Covid in the house. We are so lucky that the symptoms were mild, even though residents were quarantined to their rooms for a while. Meals were transported by our fabulous little cart and volunteer help. We contracted with Quintown for Meals on Wheels which was a huge help! By spring, when the virus had eased, we decided to try and schedule some fun events again. As we all know, then came the variant strain and we had to put a halt to that. We’re still hoping that we can start up again and will make sure it’s posted in case you’d like to join us. With grants from Mascoma Bank and Housing Ministries of New England, we were able to do some repairs and paint our beautiful porch—it looks fabulous!

As always, Park House is grateful for your support, and we ask that you consider contributing $500 again in 2022-2023.

Sincerely,

Joanne McDonnell
Executive Director

As one of 10 Designated Agencies in the state of Vermont, Clara Martin Center provides mental health and addiction recovery services for Orange County and the greater Upper Valley area.

Clara Martin Center’s broad range of programs serve children, families, couples and individuals. Services are confidential and include counseling, psychiatric services, consultations, short term crisis intervention, school and home-based services, education for families related to emotional and behavioral challenges, community resource assistance, hospital diversion, respite care, housing, vocational services, alcohol and other drug treatment, a walk-in clinic and 24 hour emergency services.

The agency continues to work with a wide variety of local partners to enhance community health and wellness including Stagecoach, local police departments, primary care providers, schools and supervisory unions, the Chelsea Health Center Board and local officials, to name a few.

With 55 years of experience and leadership under our belt, we remain positioned to rise to meet the needs and challenges of the communities we serve, such as the opiate crisis. Clara Martin Center is at the forefront of this epidemic, providing help to those in the community dealing with this problem.

For more information about Clara Martin Center services, visit our website at www.claramartin.org.

16 Park Row, #4 (802) 767-3416 director@parkhousevt.org
WHITETOWVALLEY AMBULANCE

Thank you, neighbors, for your continued support of White River Valley Ambulance. We are a non-profit, professional emergency medical service and ambulance transport agency serving the towns of Barnard, Bethel, Brattleboro, Brookfield, Granville, Hancock, Pittsfield, Randolph, Rochester and Stockbridge, an area of over 500 square miles. We are designated as a Vermont Critical Care Paramedic service, the highest licensed skill level that the state recognizes. With our 14 full-time staff and a number of part-time staff we maintain two Paramedic level staffed ambulances 24/7. 365 days a year. From January 1, 2021 through November 30, 2021 White River Valley Ambulance responded to 1,650 emergency calls and transfers, up from 1,342 in 2021. This includes Advanced Life Support transfer between hospitals.

Training in emergency medical response is also an important part of our mission. We are a regional American Heart Association Training Center, providing CPR and First Aid courses to community members across central Vermont. We also provide advanced practice training to emergency response professionals and volunteers from throughout the state.

Funding for WRVA comes primarily from billed insurance and budget allocations from the towns we serve. Every town pays the same amount per capita. In 2022, the per capita amount will increase by $61.00 to $65.00, or 6.6%.

Looking back on 2021 and ahead to 2022, we are ever grateful for the numerous first responders and fire departments who we work with and who volunteer their time to help a neighbor in need. Your dedication and commitment to serve makes a difference in the lives of those who call for help. For that, we can never thank you enough. 3190 Pleasant St., Bethel, VT 05032 802-234-8800 www.wvra.org

Matthew Parrish,
Executive Director

Quin-Town Center for Senior Citizens
PO Box 113
1097 Route 100
Hancock, VT 05748
802-767-3763
quintownasc@gmail.com

Oct. 20, 2021

To the Town of Hancock Select Board/Budget Committee and Community Members:

Quin-Town Center for Senior Citizens is based in Hancock and since 1972 has given senior citizens in the area a place to go for on-site meals each Monday, Wednesday and Friday at noon. We also provide nutritionally balanced meals delivered to homebound members through our Meals on Wheels Program.

The COVID-19 pandemic has impacted our senior center. To keep our clients safe, we have had to temporarily change our onsite dining, currently serving onsite meals on Wednesdays. However, we continue to provide nutritionally balanced meals to help meet the dietary requirements of our seniors by offering our new To-Go Meals Program and continue delivering Meals on Wheels each Monday, Wednesday and Friday. Our Meals on Wheels Program not only provides healthy meals to seniors, but also provides us with an opportunity to perform a wellness check for our senior neighbors.

The Quin-Town Center for Senior Citizens is requesting a donation from each of our surrounding towns. Our request from Hancock is $2716.00 for the coming year. The donation is well spent. We have supplied nearly 5000 meals this past year to seniors at the center including our new To-Go Meals Program and our Meals on Wheels Program.

Your donation will cover a portion of our operating budget not reimbursed by our contract with the Central Vermont Council on Aging. Therefore, each contributing town and its citizens become participants in the successful operation of our program that provides quality meals and social enrichment for our aging neighbors and relatives.

We continue to supplement our funds with a very successful annual appeal each fall and have increased our search for grants and other fundraising events. We would be glad to meet with you if you have any questions. Thank you for your generous support in the past and for considering our current request.

Sincerely,

Quin-Town Board of Directors

Board of Directors
~ Natalie Cloyd, Acting President ~ Kent Butterfield, Vice President & Treasurer ~ Beverly Allen, Secretary ~ Members: Annette West, Staff ~ Jody Jesso, Executive Director ~ Margaret Brown, Cook ~ Garvi Jesso-White, Assistant Cook ~
GREETINGS:
The 2021 fiscal year marks the end of our 70th year providing emergency services to Granville and our surrounding community. Through the dedication of our members and the tremendous support from our community, we are stronger now than ever.

Last year we witnessed another rise in the number of emergencies our team responded to. A summary of these calls is included in the next page. We expect the trend to continue upward as the community continues to increase their reliance on the services we provide.

This past year, a significant push was made in recruiting and training in emergency medical services. We have welcomed several new members to the department which have increased our active emergency responders to 19. This fall we also held a Medical First Responder course increasing our medical response team by 13 for a total of 18 members. This more than tripled the number of active members who can respond to medical emergencies.

Recruiting remains a high priority for us. Our goal is to maintain an active roster of 30 with more on the auxiliary list. We have positions open for all types of responders and we would like the opportunity to speak with you about how you can serve your community in this unique way.

More recently, in the fall of 2021 we purchased and placed into service a 1992 Pierce tanker with a 1,000 GPM pump and 3,000 gallons of water. The vehicle replaces a 1983 oil tanker which has served as our water tanker for about 14 years until it was taken out of service. The replacement vehicle will be paid for entirely through the fundraising efforts of our members.

As always, we appreciate your support. If you have any questions about the operations of the department or are interested in serving or helping in some way, please feel free to contact us.

Stay safe,

Daniel Sargeant, Fire Chief;
Granville Volunteer Fire Department

Addison County
Restorative Justice Services
A Community Approach to Repairing Harm and Restoring Relationships
282 Boardman Street, Middlebury, VT 05753
Phone: (802)388-3888 Fax: (802)388-3574
Website: www.acrjs.org

September 15, 2021

Addison County Restorative Justice services is requesting $90.54 in support from the Town of Hancock in the 2021/2022 budget.

ACRJS provides community restorative justice responses focusing on the “balanced approach” in meeting the needs of the victim, the community and the program participant. The goal is to help the program participant develop empathy and accept responsibility while providing compensation of loss for the victims and compensation of resources for the community. Anyone given the opportunity to participate in our programs is supported to take responsibility for their actions, connect with the community in a positive way, and learn from their experience so as not to reoffend and cause harm to yet another person.

We have expanded our programs beyond Court Diversion and the Youth Substance Awareness Safety Program to include the Driving with License Suspended Program, Safe Driving Program, Reparative Restorative Panels, Reentry Navigation and Circles of Support and Accountability for those reentering the community from incarceration, Pretrial Monitoring and Tamarack for those community members who have committed a crime and have a mental illness or substance use problem. All programs have the goal for the participant of instilling a sense of belonging and commitment to contribute to the Addison County Community as positive, proactive member and to not create any more victims, essentially decrease crime in the county.

The following is a breakdown of the number of individuals from the Town of Hancock who were provided services through our agency in FY 2020/2021

<table>

Thank you for your continued support!

Sincerely,

Jean A. Stone B.A.
Executive Director

Addison County United Way Member Agency
November 30, 2021

Town of Hancock
PO Box 100
Hancock, VT 05748

Dear Hancock Selectboard:

Hancock Town Pride formed in 2012 with three primary goals. These include holding events and activities, beautifying the town and fostering a sense of pride in the town. Since our start we have done fundraising and grant writing. However, with the last two years of the pandemic we haven’t been able to do fundraising. This means that after filling the flower barrels and holding our summer concert series our funds are greatly diminished. Unless something changes, we won’t have the funds to hold a 2022 summer concert series.

We are requesting that funding of $1,500 be added to the list of appropriations for the 2022 Annual Town Meeting.

Thank you for your consideration of our request.

Sincerely,

Jill Jessi-White
President, Hancock Town Pride

September 20, 2021

Town of Hancock
PO Box 100
Hancock, VT 05748

Dear Select Board,

The mission of Vermont Family Network (VFN) is to empower and support all Vermont children, youth, and families, especially those with disabilities or special health needs. Formed in 2008 when two organizations, the Vermont Parent Information Center (VPIC) and Parent to Parent of Vermont (P2P), merged, VFN has collectively served the families across Vermont for more than 30 years. Vermont children, youth, and families are provided with a “one-stop-shop” to help them reach their full potential. VFN gives a strong start, lifts family voices, and advances inclusive communities.

We are writing you today to ask for your support in continuing to serve families in Hancock and throughout the state, with an appropriation of $250. Traditionally primarily funded through state and federal grants, we find that waning funds threaten to slow our work and minimize the number of families we can support. We are reaching out to communities like Hancock where we have served many families to seek your help. Your appropriation will help ensure the work we can do all around the state continues to happen with the same excellence and care that it has for the past 30 years.

We are proud to serve over 1,400 families yearly with expert information, referral, and assistance services provided by family support consultants located in Williston, Newport, and Rutland, an annual conference and more through our Family Support Program.

Vermont Family Network is also home to Puppets in Education, an educational puppetry team that teaches children and parents about important issues like anxiety awareness, bullying, child abuse, and disability awareness through engaging performances that emphasize compassion, respect, effective leadership, and communication. Each year over 10,000 school children and adults benefit from these educational programs and workshops.

Thank you so much for your consideration. The funding received will go a long way to ensuring our ability to continue to provide the much-needed services to Vermont families. Please feel free to reach out to me at Claire.giroux-williams@vtfn.org, or my cell phone at 301-509-2435 if you have any questions.

Sincerely,

Claire Giroux-Williams
Development and Communications Manager

The towns of Bethel and Royalton jointly own a 22 acre parcel of land on Waterman Road in Royalton which has been improved to provide facilities for aggregation and shipment of municipal solid waste, recyclables, and a variety of hazardous waste materials. The site also contains the now-closed landfill which served area towns from 1970 to 1993. By contractual agreement, other member towns also use the waste management program, these towns being Barnard, Stockbridge, Rochester, Hancock and Granville.

Administration of the program has historically been managed by staff of the town of Bethel, under the direction and oversight of the Bethel and Royalton Select Boards. In August 2013, a new inter-local Contract was approved and endorsed by the Bethel and Royalton Select Boards. This new agreement for administration of the solid waste program shifts management accountability and oversight from Bethel to the White River Alliance Board and the Alliance Manager.

In December 2020, the Vermont Department of Environmental Conservation approved the program's new “Solid Waste Implementation Plan” (SWIP) for purposes of managing solid waste and recyclables in accordance with the objectives of current local/state/national priorities. The SWIP is updated every five years.

Our facility operates under a license (or “Certification”) which is renewed every 10 years. An application to renew was submitted to the Vermont Solid Waste Management Division in February 2014, and approval was issued May 7, 2014. The certification is valid until March 31, 2024. The former Bethel/Royalton landfill is also operated under a certification that is valid until changes are made to the original certification specifications. This certification provides for adequate monitoring of any residual effects stemming from the landfill use.

From July 1, 2020 to June 30, 2021 a total of 5,497.99 tons of solid waste was collected at the transfer station "topping floor". This material was loaded into trailers for shipment to an in-state lined landfill. Materials received for recycling totaled 746.64 tons and organics totaled 52.02 tons. These materials were directed to various facilities for processing. Various special wastes are regularly collected in addition to the usual recyclables. These include paint, fluorescent bulbs, used motor oil, antifreeze, lead acid batteries and electronic waste. All fees vary depending on the material involved and the current expenses to the program for handling the materials.

Collection events for Household Hazardous Wastes were held in July 2020 and April 2021 at the Bethel Royalton Transfer Station and August 2020 at the Rochester Town Hall Parking lot. A total of 329 families participated in the three events. These events provided a means for citizens of the member towns to safely dispose of materials, particularly those not normally taken at the facility such as pesticides, various cleaning compounds, acids, bases, contaminated fluids etc. The events are open to all member towns at no cost for up to 10 pounds or 10 gallons of material. Small quantities of materials generated by businesses are also acceptable at collection events, but a fee corresponding to program costs is assessed on business participants and an appointment must be made in advance. There will be two events in 2022. One at the Bethel Royalton Transfer Station on April 15, 2022 and one at the Rochester Town Hall on September 17, 2022. This will allow access for those towns not located near the transfer station to attend.

The Transfer Station participates in a variety of manufacturer-sponsored recycling programs including battery, electronics, paint, mercury light bulbs and mercury thermostats. These programs are free to the public. Please grab a brochure at the cashier’s office or speak to an attendant regarding daily limits and covered products.

We consider the solid waste program to be comprehensive in the services provided to the public, and the program staff is well trained to provide advice or assistance.

The facility is open to the public on Tuesdays, Thursdays, Fridays and Saturdays from 7am to 1pm. It is closed on Sunday, Monday and Wednesday. Please visit our website for more information: whitetheralliancesolidwaste.org
Upper White River Cooperative Weed Management Association
2021 Report to the Town of Hancock

2021 was the ninth year that the Upper White River Cooperative Weed Management Association conducted non-native invasive plant surveys, outreach and control projects along town roads and trails located in the Upper White River watershed. See map showing the project area boundary, below.

CWMA partners include the Green Mountain National Forest, US Fish & Wildlife Service, Vermont Department of Forests, Parks, and Recreation, Town of Rochester, and White River Partnership.

The members are working together to raise awareness about invasive and non-native invasive plants.

Non-native invasive plants are plants that are not originally from this area that have exhibited invasive tendencies, spreading rapidly and taking away habitat that native plants need to thrive. They have the potential to negatively impact land and water resources, recreational opportunities, biodiversity, wildlife, and property values. However, the community at large can play a hand in controlling invasive plants on their own properties and community roads through early detection and rapid response activities.

2021 Summary:

CWMA Coordination:

Grant funding was received, and despite the pandemic, a coordinator was hired, and several tasks were accomplished.

Monitoring and Control:

With the help of Green Mountain National Forest staff and Vermont Youth Conservation Corps, 6.4 acres of wild chervil were controlled on FR 39 in Hancock.

While the infestations that have been and continue to be slated for control represent only a fraction of known infestations, and many more are unmapped, they were chosen because they are either in strategic locations, or are relatively more feasible to control than others, or are part of an ongoing effort in those locations.

Education & Outreach:

In April, the CWMA coordinator provided a webinar on ecological landscaping for residents in all the Upper White River CWMA towns (Hancock, Granville, Pittsfield, Rochester, and Stockbridge). In June, Green Mountain National Forest staff offered wild chervil management direction to residents and businesses via Front Porch Forum.

Interested landowners are encouraged to take action to control non-native invasive plants on their own properties, or to get involved with the Cooperative Weed Management Association. To get involved locally, contact MaryBeth Deller at the Green Mountain National Forest at mary.deller@usda.gov. To learn more about invasive plants in Vermont, visit the Vermont Invasives website: http://vtninvasives.org

ECFiber and the Town of Hancock

Hancock is a member of the East Central Vermont Telecommunications District, a Vermont municipality whose mission is to provide internet service to homes and businesses in its area. During the past year ECFiber added almost 1,700 new customers and now serves over 7,000 premises in 23 towns via 1,500 miles of fiber-optic cable. The district consists of 31 member towns, which, when fully built out, will bring fiber-to-the-premises (FTTP) to about 31,500 locations over more than 2,000 miles network.

In Hancock, ECFiber has completed construction of its network. As of November, 2021, there were 85 customers along 14 miles of network.

ECFiber is funded entirely by customer revenues, which in turn back tax-free municipal bonds issued by the district to raise capital to build our infrastructure. This model is now the state’s strategy for solving the rural broadband crisis and eight CUDs like ECFiber are working hard to get going. The once-in-a-lifetime ARPA funds the state received for broadband have been put into the Vermont Community Broadband Fund. ECFiber and ValleyNet leadership were deeply involved in the work of the administration and legislature during the last session and continues to engage with the state and other CUDs in pursuit of the statewide goal of bringing fiber to all homes and businesses on the grid in our state. We invite you to visit our website to learn more about ECFiber, and encourage you to subscribe. You won’t be charged anything until we start service.

Scott Gillette, Hancock’s delegate to the ECFiber Governing Board

TRORC 2021 YEAR-END REPORT

The Two Rivers-Otaquechee Regional Commission is an association of 30 municipalities in east-central Vermont that is governed by a Board of Representatives appointed by each of our member towns. As advocates for our members, we seek to articulate a vision for building a thriving regional economy while enhancing the Region's quality of life. The following are highlights from 2021.

Technical Assistance on Planning Issues

Our staff provided technical services to local, state and federal levels of government and to the Region's citizens, non-profits, and businesses. TRORC staff assisted numerous towns with revisions to municipal plans, capital budgets, bylaws and studies. TRORC has applied for funding to assist seven communities review and revise their zoning to enable more housing construction.

Emergency Management and Preparedness

TRORC staff continued to serve on the State Emergency Response Committee, providing state officials with key local information to assist emergency planning. TRORC continues to assist local emergency management directors to meet the needs of our first responders. Again, this past year, TRORC assisted several communities with updating their Local Hazard Mitigation Plans. Having FEMA approved plans is a condition for many FEMA programs.

Energy

TRORC assisted seven towns on Enhanced Energy Plans to save money for communities and further the State energy goals to meet 90% of Vermont's energy needs from renewable sources by 2050. In addition, TRORC sought and received general energy plan implementation funds to assist town Energy Committees on energy efficiency outreach and education.

Transportation

TRORC managed the Municipal Roads Grants-In-Aid program in our Region. This provides funding for towns to implement Best Management Practices (BMP) on municipal roads ahead of the state's forthcoming Municipal Roads General Permit provisions. Funding provides for projects including grass and stone-lined ditches, upsizing and replacement of culverts, and stabilizing catch basin outlets.

Specifically in Hancock this year, TRORC staff assisted in the development of the Hancock Town Plan and had discussions regarding assessing contamination on a commercial property in town.

We are committed to serving you, and welcome opportunities to assist you in the future.

Respectfully submitted,
Peter G. Gregory, AICP, Executive Director
Jerry Fredrickson, Chairperson, Barnard

2021 Local Health Annual Report

Twelve Local Health District Offices around the state provide health services and promote wellness for all Vermonter's. Additional information about your local health office and related programs can be found at https://www.healthvermont.gov/local.

COVID-19

It has been almost two years since the COVID-19 pandemic began, and in response, our families, schools, businesses, first responders, and countless other groups have worked to better protect the health of our communities. Together we ensured towns had access to the vaccine, testing, and other services needed to make more informed decisions about their health. As of December 1, 2021, approximately

- 494,000 Vermonters received at least one dose of COVID-19 vaccine.
- 546,056 people have been tested and a total of 2,570,835 tests completed.
- Many COVID-19 resources are now provided in over 20 different languages.
- Up-to-date information, including town-level data can be found on the Health Department's website: https://www.healthvermont.gov/covid-19/current-activity

Public Health Programs

In addition to COVID-19 response efforts, Local Health offices continue to provide health services and programs to Vermont communities, including but not limited to

- In collaboration with Town Health Officers and other local partners, we help Vermonters better understand the relationship between their environment and their health at a time when more of us are spending time at home with our families. Find information about environmental health and lead, asbestos, toxic chemicals, child safety, food safety, climate change, drinking water, and more at https://www.healthvermont.gov/environment.
- The WIC nutrition program continues to provide primarily remote access to services with phone appointments. In 2021, an average of approximately 11300 infants, children, and pregnant, postpartum, and breastfeeding people were served by WIC in Vermont each month.
- As of November 23, 2021, 193,000 flu vaccine doses have been administered. Protecting people from influenza continues to be particularly important as the flu may complicate recovery from COVID-19.

Thank you to everyone involved in supporting these efforts. We look forward to what 2022 brings, to seeing you in the community, and encourage you to stay in touch with us.
MINUTES OF
TOWN OF HANCOCK, VERMONT ANNUAL MEETING
MARCH 2, 2021, POLLS 10:00 AM to 7:00 PM

The legal voters of the Town of Hancock, VT, were warned and notified to meet at the Town Clerk’s Office in said town to transact the following business by Australian ballot:

Article 1: To elect a Town Moderator for the next year ensuing. **Jim Leno was elected.**

Article 2: To elect all Town Officers as required by law:
- Selectboard Member – three year term **Dan Perera**
- Selectboard Member – two year term **Scott Gillette**
- Lister – three year term **Brandon Shawn**
- Auditor – three year term **Rose Juliano**
- Auditor – 2 year term **Vacant**
- Constable - one year term **Scott Gillete**
- Collector of Delinquent Taxes – one year term **Jaime Morin**
- Cemetery Commissioner - three year term **Larry Bettis**
- Road Commissioner – one year term **Dan Perera**
- Library Trustee – five year term **Eva M. Jesso**
- Advisory Budget Committee – three year term **Maurice Eaton**
- White River Valley Ambulance Representative – one year term **Jack Ross**

Article 3: Shall the voters appropriate a total of $29434.54 to the following social service agencies pursuant to 24 V.S.A. § 2691:
