A Note about This Year's Meeting and Voting

Due to the COVID-19 pandemic, meeting in person will not be possible in March. The Selectboard has decided to hold the vote on Town Meeting Day, Tuesday, March 1, 2022, at the Town Office. This decision was made pursuant to S. 172, *An act relating to authorizing alternative procedures for 2022 annual municipal meetings in response to COVID-19*, signed by Governor Scott on January 14th, 2022.

An informational meeting will be held on Tuesday, February 22, 2022, at 7 PM by Zoom as required in S. 172. The informational meeting warning will be posted at least 10 days prior. Information about accessing the meeting will be available on the town's website or by calling the Town Clerk. You may either call in by telephone or join through your computer, telephone, or tablet.

Voting will be conducted by Australian ballot for all articles as allowed by S. 172. Voters may cast their ballot in person at the Town Office between 10:00 AM and 7:00 PM or by requesting an absentee ballot through the State's My Voter Page at https://mvp.vermont.gov or from the Town Clerk.

This change in voting is for 2022 only. We will return to meeting in person and voting from the floor and by paper ballot as soon as conditions are safe to do so.

Budget and Appropriations

PLEASE NOTE that the Appropriation requests in Article 4 are <u>NOT</u> included in the final budget amount in Article 9.

ORINANCE FOR THE CONTROL OF DOGS

Pursuant to Article 24 V.S.A. §2291 (10) and 24 V.S.A. § 1974 (a), the Selectmen of the Town of Hancock hereby adopt the following ordinance relating to the regulation of keeping of dogs and providing for their leashing or restraint within the Town of Hancock.

- DEFINITIONS: A dog "running at large" shall mean a dog which is not (a) on a leash, or (b) on or within a vehicle, or (c) on the property of its owners or his agent, or (d) clearly under the verbal command of its owner or his agent, or (e) hunting with its owner or his agent.
- A person shall not allow a dog to run at-large within the limits of the Town of Hancock.
- A person shall not permit any female dog "in heat" to be outside a building or outside a fenced enclosure.
- A person shall not permit a dog to bark excessively, or to otherwise become a public nuisance, or to create a disturbance.
- The Hancock Town Animal Control Officer shall be the chief enforcement office
 of this Ordinance.
- 6. The Animal Control Officer and any law enforcement officer may use all reasonable methods for catching and impounding a dog in violation of this Ordinance, including the use of tranquilizing and marking apparatus.
- The Animal Control Officer or any law enforcement officer may impound a dog found in violation of this Ordinance at the pound, and upon complaint, shall impound any dog found in violation of this Ordinance.
- The procedure for claiming or releasing a dog from the pound shall be as follows;
 - A. Upon delivery to the pound, the pound attendant shall notify the dog's owner, if the dog is licensed. The dog shall be held for three (3) days after the owner is notified, unless claimed earlier.
 - B. If the dog is unilcensed, the pound attendant shall notify the radio station of the dog's description, and the dog shall be held for three (3) days after the first broadcasting of the dog's description, unless claimed earlier.
 - C. If the owner does not claim the dog within the three (3) day period, the dog shall be given to whoever pays the pound fees, rables shots, and any other necessary fees.
 - D. If no person claims the dog, the dog may be humanely destroyed, and the Town shall pay all necessary fees.
 - E. No dog shall be release from the pound until it is properly licensed, and all pound and other charges are paid.
- 9. A person cialming the dog from the pound shall pay a reasonable fee for the dog's board, all fees for licensing, and all other necessary charges and expenses incurred by the pound. In addition, such person shall pay to the pound for the benefit of the Town the sum of Ten dollars (\$10) to compensate the Town for its reasonable expenses in enforcing this Ordinance.
- A person who violates this Ordinance shall be fined not more than One Hundred Dollars (\$100).
- 11. If any part of this Ordinance is held to be Invalid, such holding shall not affect the remaining portions of this Ordinance, which shall remain in full force and effect.
- 12. This Ordinance shall be effective as agreed May 1, 1974 and adopted by the Board of Selectmen for the Town of Hancock herein.

Hancock's U. S. GOVERNMENT BONDS: a short history

Up until 1965 the following paragraph was included with the bonds report giving a short explanation of how they came into being -

"Because all, or parts, of various lease lots have been sold to the federal government to be incorporated in the Green Mt. National Forest, the selectmen have seen fit to set up the following trust fund. The revenue received from this fund is expected to reimburse the town for the loss of the annual lease money."

The funds began around 1940. The cash balance shown above also comes from the sale of the lease lots.

SURETY BONDS FOR FISCAL YEAR JULY 2020-JUNE 2021

Through the Town's insurance policy with the Vermont League of Cities and Towns, all town officials and town employees are covered under a blanket policy for up to \$500,000.00 for the fiscal year of July 2020 through June 2021

INDEPENDENT AUDITOR'S REPORT

The Select Board
Town of Hancock, Vermont

We have audited the accompanying modified cash basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Hancock, Vermont, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of these financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified and qualified audit opinions.

Basis for Qualified Opinions on Governmental Activities and General Fund

The Town's fire department and delinquent tax collector maintain separate bank accounts which are not under the supervision of the Treasurer. The beginning and ending balances of these accounts and related activity are not included in the Town's financial statements. The amount by which these bank accounts would affect the assets, liabilities, fund balances, revenues and expenditures of the governmental activities and General Fund has not been determined.

Qualified Opinions

In our opinion, except for the effects of the matter discussed in the "Basis for Qualified Opinions on the Governmental Activities and General Fund" paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities and General Fund of the Town of Hancock, Vermont as of June 30, 2021, and the changes in financial position thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Robert Pace, CPA, - Nathan Hawley, CPA P.O. Box 603 - Montpelier, VT 05601 TEL (802) 461-2587 - FAX (802) 476-5791 The Select Board Town of Hancock, Vermont

Unmodified Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund, other than the General Fund, and the aggregate remaining fund information of the Town of Hancock, Vermont, as of June 30, 2021, and the respective changes in financial position for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Hancock, Vermont's basic financial statements. The combining schedules of nonmajor governmental funds and budgetary comparison information, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining schedules of nonmajor governmental funds are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining schedules of nonmajor governmental funds are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The schedule of budgetary comparison information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated, September7, 2021, on our consideration of the Town of Hancock, Vermont's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Hancock, Vermont's internal control over financial reporting and compliance.

SELECTBOARD REPORT

Dear Friends and Neighbors,

As I write this, we are entering into a second challenging winter. The communities of the Valley continue to come together to try to solve our challenges in new and creative ways. As always, we want to thank all those who serve as elected officials and who volunteer their time to the town and the community in general. Truly, this work could not be done without you. Thank you for all you do.

Highlights of the year

- We have contracted with an auditing firm to regularly audit our books and to ensure that we are following best practices.
- The Town Plan is almost completed at the time of this writing (December). Thank you to all who have contributed to this process.
- Work on the Hazard Mitigation Plan will be complete before summer. This plan was developed following Irene and must be revised every 10 years. This plan is required for better FEMA funding in the event of a disaster and ensures that we have a plan of action in place in the event of another emergency, natural or otherwise.
- Dan Perera has been working hard on scheduling roadwork and developing plans for grant applications for future road work.

This year, I will not be running for re-election. After 8 years on the board, I feel it is time for new ideas and new people. It has been a very fulfilling time working on the select board and I cannot express how grateful I am to have been given this opportunity to serve the town and to learn more than I could ever say. The position of select board member, as with all town positions, has evolved over the last few years. It is a wonderful opportunity to develop professional skills, learn about the governmental process and all the moving parts that go into running a town while serving your community. I'm happy to talk to anyone who is interested in pursuing this path.

We urgently need volunteers to fill open positions – particularly the Planning Commission, a Health Officer, and Animal Control. Currently, the select board is filling many open roles in addition to the other work we do. We are all busy and these positions do not necessarily pay but they do contribute significantly to making this town a community and tend to be relatively low in time requirements. We hope you will join us.

Select board meetings are open to all and take place on the 1st and 3rd Tuesdays of every month at 6 pm. Due to COVID-19, we are meeting in person with masks required, or via Zoom, accessible by computer and telephone. Meeting information is available on the town website — www.hancockvt.org or by calling the town offices. We look forward to having you share your concerns and ideas with us. If you cannot make the meeting, please contact us to share your thoughts.

Respectfully submitted,

Monica Collins, Chair

Daniel Perera, and Scott Gillette

Town Clerk's Report

Thank you to our dedicated selectboard members, committee members, trustees, and community members for working together to navigate business during another year of the COVID pandemic. Your hard work is noticed and appreciated.

A special thank you to Janet Jesso, Eva Jesso, Roger Comes, and Becky Klein for always being ready to lend a hand or ear at a moment's notice. It's only together that we can move business forward during difficult times. This fall we welcomed Marjorie Ross to our team as Assistant Town Clerk. Her willingness to learn the intricacies of the job is commendable.

I am looking forward to continuing to serve as Hancock's Town Clerk and Treasurer for another term. The knowledge gained with each year is invaluable, and I look forward to continuing to build upon it.

The office remains open despite the many challenges presented by the pandemic. Appointments are recommended and encouraged to ensure that you receive the best service possible. Our normal public access hours are currently Monday 1PM–4PM, Tuesday 9AM–2PM, Thursday 9AM–12PM. Our front door remains locked for security reasons, so please knock on the door when you arrive so we know you're out there! We also have a newly installed secure drop box for items that need to be left after hours.

Much work takes place behind the scenes here at the office, and appointments continue to be available outside of normal public access hours for residents needing to conduct business in person; simply call to make arrangements for this service. Also note that plans are in the works for expanded public access hours in the new fiscal year.

Jody Jesso Town Clerk/Treasurer

Road Commissioner Report

Road work in 2021 included ditch cleaning, ditch repairs, and culvert maintenance on most roads in Hancock. A ditch repair project on Fassett Hill Road was completed with a grant that covered 80% of construction costs. This project was part of an ongoing effort to keep the town compliant with stormwater runoff regulations so that we are eligible for funding in the event of future stormwater damage. Additional grant-funded ditch work is scheduled for 2022.

In addition, most of the town's gravel pile was spread on town roads. The remaining gravel will be spread next summer.

A grant was secured to fund 80% of an engineering study for the replacement of a culvert at the intersection of Tucker Brook Road and Shampeny Hill Road. Grant funding will be pursued in 2022 for the construction of the new culvert.

In all, more than \$14,000 of grant funds were secured for Hancock road work in 2021.

Efforts will continue in 2022 to secure additional grant funding to supplement road maintenance and repair costs.

Respectfully submitted,

Dan Perera Road Commissioner

Hancock Free Public Library Report

With the second year of new and different challenges the Hancock Free Public Library continues to adapt to serve the needs of our patrons. We have been open for browsing during part of the year. We continue to provide curbside and porch pickup for the entire year. Our WIFI is available 24/7 from the parking lot and does not require a password.

We have been privileged to receive grants to continue our existing programs and establish new ones.

Halloween provided an opportunity to "treat" the children to a free book of their choice. Family Game Kits are available upon request.

The Green Mountain Consortium, or perhaps better known as Listen Up Vermont, provided 657 readers and listeners with books for their enjoyment.

Inter Library Loan (ILL) has been busy providing books to our patrons that we do not have in our collection. Though we are not a stop on the courier delivery system, the Hancock Post Office provide the necessary transportation for the books.

Our Adopt an Author Program continues to provide the latest book releases of authors Chris Bohjalian, Janet Evanovich and John Grisham. If you too have a favorite author and would like to donate to the library their newest release, please call the library to make arrangements for the Adopt an Author Program.

Museum passes are available year-round. Summer passes are more plentiful but many indoor museum venues are available during the winter season. There are both free and discounted passes depending on the museum.

Valley Readers Book Club continues to meet via Zoom. Their monthly meeting is the 2nd Thursday of the month. Discussion books are provided by the Friends of the Hancock Free Public Library and are available at the library. Call to reserve your copy.

To contact the Handcock Free Public Library you can call (802-767-4651) or email: <u>Hancockvtlibrary@gmail.com</u>.

Friends of the Hancock Free Public Library - 2021 Report

The Friends of the Hancock Free Public Library formed in 2012 to support the Hancock Free Public Library (HFPL). During this time, we've shown that support in a variety of ways including holding programs and events and buying books and materials.

The last two years COVID-19 has made it necessary to cancel workshops and events that the Friends would have normally been organizing and sponsoring. On a positive note, our book discussion group, Valley Readers, has continued to meet by moving to Zoom. The group meets at 6pm the second Thursday of these months - January-June & September-November.

If you'd like to help support the Friends, there are many ways to do so:

- There is a book discussion group, Valley Readers, which has been going strong for nine years. The group meets the second Thursday of the month at 6pm and anyone is welcome to join. Currently the meetings take place over Zoom, so please reach out if you'd like to be included.
- Our Adopt an Author program is in its fifth year and is a fun way to expand the collection. Ask at the HFPL how you can take part.
- A nice way to remember a loved one, or honor a friend or family member, is to donate to the Friends. The money is used for books and programs to support the HFPL. Friends is a 501(c)(3) nonprofit organization.
- Friends of the Hancock Free Public Library has a Facebook page with information on events and activities so please "like" the page to keep up with the latest happenings.
- Consider joining the Friends group. Donation levels start as low as \$10/year.

If you'd like more information on the Friends, please contact Jill Jesso-White, President, at 767-4128.

Hancock Town Pride - Annual Report for 2021

While COVID has continued to impact our activities, Hancock Town Pride was still able to bring some normalcy to 2021. Hancock Town Pride has been working consistently for eleven years on these three goals: beautifying the town, holding events and activities and fostering community spirit. This past year made it challenging to hold events and activities, but we were still able to do some things to meet our goals.

We continued our annual tradition of distributing sunflower seeds to anyone interested on Memorial Day. Thanks to Ross Parker and Denise Chapin for the donation of seeds. We also handed out sunflower seedlings planted and donated by Meg Brown, so a big thanks to her as well. We planted the beautiful planters at the base of the bandstand and the wooden barrels with flowers at various locations around town. A big thanks to Dorothy Robson for taking the lead on the planters. Thanks also to all our volunteer waterers who helped with the flowers all summer. All the sunflowers around town looked great.

In 2021 Hancock Town Pride presented six summer concerts on the Hancock Town Green to appreciative audiences, following the cancellation of our 2020 season over COVID concerns. These concerts were free to the public and were paid for by the committee's past fund-raising events, as well as by some contributions from audience members. As a cautionary COVID measure, no food was served at the concerts, and the Fire Station restroom was available only for performers. Due to wet weather, three of the performances were held indoors at the Hancock Town Hall.

On July 8, Rick Redington and The Luv opened the concert series with their unique blend of original music for vocals, guitar, bass and percussion. The following week the sounds of The Panhandlers, a Caribbean steel drum band, rang through the valley on a perfect summer evening. July 22 brought us VT Bluegrass Pioneers, with veteran performers we've enjoyed hearing in other summer concerts. The annual Pete Seeger Memorial Concert was held the last Thursday in July, with members of the Seeger family and musicians from the valley performing songs identified with folk icon Pete Seeger. The first week of August brought us music of the Michele Fay Band, with many original songs written by the band's leader who hails from Ripton. We ended the season on August 12 with music by the Hancock Coffeehouse Singers, a group of local musicians who have traditionally performed at benefit coffee houses in the valley. All concerts were well received, with many inquiries about what we would be hearing next season.

We've been pleased to be able to offer these free outdoor family-friendly concerts, as part of our mission to provide activities and entertainment for residents of Hancock and nearby towns. All are invited to come with their own chairs or blanket and enjoy good music, surrounded by our beautiful Vermont scenery.

In early December we purchased wreaths to hang on our municipal buildings and the bandstand. They looked very festive through the holiday season.

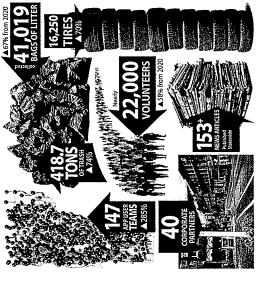

We always welcome new members to join us! We have a Facebook page where we post announcements. Please "like" our page! We would love to hear your ideas and feedback as we work toward adding to the beauty and community spirit of our town.

Respectfully Submitted, Hancock Town Pride Jill Jesso-White, President

Green Up Day May 7, 2022

Green Up Day on May 1, 2021 was a huge success thanks to nearly 22,000 volunteers statewide who Greened Up. The infographic shows that all your hard work to beautify Vermont is needed and that it makes where we get to live, work, and play a very special place. As one of Vermont's favorite holidays, it is imperative for today and for future generations to keep building pride, awareness, and stewardship for a clean Vermont environment.

Support from your municipality is essential to our program. Funds help pay for Green Up Day supplies, promotional outreach, and educational resources including activity books, contests for kids, and a \$1,000 scholarship.

Along with Green Up Day, we work year-round to further our impact with waste reduction initiatives, additional clean-up efforts, and educational programs.

Green Up Vermont is a private nonprofit organization that relies on your town's support to execute the tradition of cleaning up our roads and waterways, while promoting civic pride, and community engagement. Thank you for your support of this crucial program that takes care of all our cities and towns.

Your donations make a huge impact and can be made on Line 23 of the Vermont State Income Tax Form or anytime online at www.greenupvermont.org.

REPORT TO HANCOCK ON IRI-VALLEY TRANSIT (TVT), FORMERLY STAGECOACH, SERVICES October 2021

Thank you for the Town of Hancock's generous support last year. During the past four years, your support helped TVT provide an annual average of 375 free trips for Hancock residents either by volunteer drivers or on wheelchair accessible vehicles. Tri-Valley Transit's Dial-A-Ride and Shuttle Bus Systems provided a total of 123,974 rides for the year. All our transportation programs enable community members to maintain their independence, gain and keep employment and access critical healthcare and quality-of-life services.

During the COVID-19 outbreak, public transportation has been on the frontlines of providing essential service to many of the most vulnerable members and essential workers of our communities. TVT has revamped its service to protect riders, the general public and staff, focusing on riders with no other mneans of transportation but whose trips are essential: healthcare staff getting to work and patients accessing dialysis, cancer, and opioid addiction treatment. We also added free food delivery service for at-risk members of the community. Unfortunately the pandemic lingers on with new variants of the virus that are more than 2x as contagious as previous strains and can be passed to unvaccinated by those who are vaccinated but may not be experiencing symptoms. We remain vigilant to protect riders, staff and volunteers from COVID.

To protect everyone, we have worked hard to:

- install protective shields between seats,
- implement pre-ride screening techniques to ensure drivers and riders are not COVID risks,
 - ensure all vehicles are frequently sanitized and hand sanitizer is available,
- require face masks to be worn in our vehicles and facilities, and supply them as needed.

The state and local grants through which we provide these services require us to raise 20% "local match" dollars. TVT's requests from towns account for approximately 5% of the 20% requirement. TVT seeks the other 15% from other sources including businesses, institutions, individuals, and grants.

Please include this in your town report as space allows. Thank you!

Hi Hancock Neighbors!

It's hard to believe another year has flown by. 2021 started off as crazy as you could imagine. After almost a year of working together to keep everyone safe here at Park House and having our vaccinations scheduled, we ended up with Covid in the house. We are so lucky that the symptoms were mild, even though residents were quarantined to their rooms for a while. Meals were transported by our fabulous little cart and volunteer help. We contracted with Quintown for Meals on Wheels which was a huge help! By spring, when the virus had eased, we decided to try and schedule some fun events again. As we all know, then came the variant strain and we had to put a halt to that. We're still hoping that we can start up again and will make sure it's posted in case you'd like to join us. With grants from Mascoma Bank and Housing Ministries of New England, we were able to do some repairs and paint our beautiful porch-it looks fabulous!

As always, Park House is grateful for your support, and we ask that you consider contributing \$500 again in 2022-2023.

Sincerely,

Ioanne McDonnell

Greetings:

December 23, 2021

The 2021 fiscal year marks the end of our 70th year providing emergency services to Granville and our surrounding community. Through the dedication of our members and the tremendous support from our community we are stronger now than ever. Last year we witnessed another rise in the number of emergencies our team responded to. A summary of these calls is included in the next page. We expect the trend to continue upward as the community continues to increase their reliance on the services we provide.

HANCOCK TOWN PRIDE

November 30, 2021

Town of Hancock PO Box 100 Hancock, VT 05748 Dear Hancock Selectboard:

Hancock Town Pride formed in 2012 with three primary goals. These include holding events and activities, beautifying the town and fostering a sense of pride in the town. Since our start we have done fundraising and grant writing. However, with the last two years of the pandemic we haven't been able to do fundraising. This means that after filling the flower barrels and holding our summer concert series our funds are greatly diminished. Unless something changes, we won't have the funds to hold a 2022 summer concert series.

We are requesting that funding of \$1,500 be added to the list of appropriations for the 2022 Annual Town Meeting.

Thank you for your consideration of our request.

Sincerely,

gill gesso-White

Family Network

September 20, 2021

Town of Hancock PO Box 100 Hancock, VT 05748

Dear Select Board,

The mission of Vermont Family Network (VFN) is to empower and support all Vermont children, youth, and families, especially those with disabilities or special health needs. Formed in 2008 when two organizations, the Vermont Parent Information Center (VPIC) and Parent to Parent of Vermont (P2P), merged, VFN has collectively served the families across Vermont for more than 30 years. Vermont children, youth, and families are provided with a "one-stop-shop" to help them reach their full potential. VFN gives a strong start, lifts family voices, and advances inclusive communities.

We are writing you today to ask for your support in continuing to serve families in Hancock and throughout the state, with an appropriation of \$250. Traditionally primarily funded through state and federal grants, we find that waning funds threaten to slow our work and minimize the number of families we can support. We are reaching out to communities like Hancock where we have served many families to seek your help. Your appropriation will help ensure the work we can do all around the state continues to happen with the same excellence and care that it has for the past 30 years.

We are proud to serve over 1,400 families yearly with expert information, referral, and assistance services provided by family support consultants located in Williston, Newport, and Rutland, an annual conference and more through our Family Support Program.

Vermont Family Network is also home to Puppets in Education, an educational puppetry team that teaches children and parents about important issues like anxiety awareness, bullying, child abuse, and disability awareness through engaging performances that emphasize compassion, respect, effective leadership, and communication. Each year over 10,000 school children and adults benefit from these educational programs and workshops.

Thank you so much for your consideration. The funding received will go a long way to ensuring our ability to continue to provide the much-needed services to Vermont families. Please feel free to reach out to me at <u>Claire, giroux-williams@vtfn.org</u>, or my cell phone at 301-509-2435 if you have any questions.

Sincerely,

Cam Line Willems

BETHEL/ROYALTON SOLID WASTE PROGRAM

FISCAL YEAR ENDING JUNE 30, 2021

The towns of Bethel and Royalton jointly own a 22 acre parcel of land on Waterman Road in Royalton which has been improved to provide facilities for aggregation and shipment of municipal solid waste, recyclables, and a variety of hazardous waste materials. The site also contains the now-closed landfill which served area towns from 1970 to 1993. By contractual agreement, other member towns also use the waste management program, these towns being Barnard, Stockbridge, Rochester, Hancock and Granville.

Administration of the program has historically been managed by staff of the town of Bethel, under the direction and oversight of the Bethel and Royalton Select Boards. In August 2013, a new Inter-local Contract was approved and endorsed by the Bethel and Royalton Select Boards. This new agreement for administration of the solid waste program shifts management accountability and oversight from Bethel to the White River Alliance Board and the Alliance Manager.

In December 2020, the Vermont Department of Environmental Conservation approved the program's new "Solid Waste Implementation Plan" (SWIP) for purposes of managing solid waste and recyclables in accordance with the objectives of current local/state/national priorities. The SWIP is updated every five years. Our facility operates under a license (or "Certification") which is renewed every 10 years. An application to renew was submitted to the Vermont Solid Waste Management Division in February 2014, and approval was issued May 7, 2014. The certification is valid until March 31, 2024. The former Bethel/Royalton landfill is also operated under a certification that is valid until changes are made to the original certification specifications. This certification provides for adequate monitoring of any residual effects stemming from the landfill use.

From July 1, 2020 to June 30, 2021 a total of 5,497.99 tons of solid waste was collected at the transfer station "tipping floor". This material was loaded into trailers for shipment to an in state lined landfill. Materials received for recycling totaled 746.64 tons and organics totaled \$2.02 tons. These materials were directed to various facilities for processing. Various special wastes are regularly collected in addition to the usual recyclables. These include paint, fluorescent bulbs, used motor oil, antifreeze, lead acid batteries and electronic waste. All fees vary depending on the material involved and the current expenses to the program for handling the materials.

Collection events for Household Hazardous Wastes were held in July 2020 and April 2021 at the Bethel Royalton Transfer Station and August 2020 at the Rochester Town Hall Parking lot. A total of 329 families participated in the three events. These events provided a means for citizens of the member towns to safely dispose of materials, particularly those not normally taken at the facility such as pesticides, various cleaning compounds, acids, bases, contaminated fluids etc. The events are open to all member towns at no cost for up to 10 pounds or 10 gallons of material. Small quantities of materials generated by businesses are also acceptable at collection events, but a fee corresponding to program costs is assessed on business participants and an appointment must be made in advance. There will be two events in 2022. One at the Bethel Royalton Transfer Station on April 16, 2022 and one at the Rochester Town Hall on September 17, 2022. This will allow access for those towns not located near the transfer station to attend.

The Transfer Station participates in a variety of manufacturer-sponsored recycling programs including battery, electronics, paint mercury light bulbs and mercury thermostats. These programs are free to the public. Please grab a brochure at the cashier's office or speak to an attendant regarding daily limits and covered products.

We consider the solid waste program to be comprehensive in the services provided to the public, and the program staff is well rained to provide advice or assistance

The facility is open to the public on Tuesdays, Thursdays, Fridays and Saturdays from 7am to 1pm. It is closed on Sunday, Monday and Wednesday. Please visit our website for more information: whiteriveralliancesolidwaste.org

Vermont League of Cities and Towns Serving and Strengthening Vermont Local Government

About the League. The Vermont League of Cities and Towns (VLCT) is a nonprofit, nonpartisan organization, owned by its member municipalities, with a mission to serve and strengthen Vermont local government. It is directed by a 13-member Board of Directors elected by the membership and comprising municipal officials from across the state. The most recent audited financial statements are posted on our website, <u>vlct.org/about/audit-reports.</u>

Member Benefits. All 246 Vermont cities and towns are members of VLCT, as are 139 other municipal entities that include villages, solid waste districts, regional planning commissions, and fire districts. Members have exclusive access to a wide range of specialized benefits, expertise, and services, including:

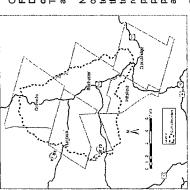

- Legal, consulting, and education services, including prompt responses to member questions that often involve
 how to comply with state and federal requirements. During the past year, VLCT's timely legal and technical
 assistance included answering more than 4,000 legal questions and publishing guidance, templates, research
 reports, and several new groups of FAQs explaining how municipalities can implement the state's COVID-19
 requirements. To support Vermont's towns and cities in responding to the pandemic, VLCT quickly researched,
 assembled, and distributed important information about fiscal impacts, grant opportunities, and how to hold public
 meetings remotely.
- Trainings and timely communications on topics of specific concern to officials who carry out their duties required by state law, as well as pertinent statewide topics. In response to the pandemic, the League provided online trainings, a virtual week-long conference, and timely announcements and information from state officials about how to comply with requirements and access to funding and assistance.
- Representation before the state legislature, state agencies, and the federal government, ensuring that municipal voices are heard collectively and as a single, united voice. VLCT's recent legislative efforts have helped provide cities and towns additional resources to respond to the pandemic, address road and bridge repair, tackle cybersecurity, improve housing and economic growth, promote renewable energy, provide emergency medical services, address equity and inclusion, and ensure the quality of our drinking water. Members are also represented at the federal level to Vermont's Congressional delegation and through our partner, the National League of Cities. This federal partnership was instrumental in securiting more than \$200 million in local pandemic aid through the American Resoue Plan Act, and ensuring it reached every city, town, and village in Vermont.
- Access to two exceptional insurance programs. The Property and Casualty Intermunicipal Fund (PACIF) provides comprehensive and cost-effective property, liability, and workers' compensation insurance coverage, programs, and services that protect the assets of your community. The VLCT Employment Resource and Benefits (VERB) Trust provides unemployment insurance, life, disability, dental, and vision insurance products to members at a competitive price. Both programs offer coverage and products that members need and ask for, help Vermont municipalities stretch their budgets, and are *only* available to VLCT members.
- Access to a host of educational and informative materials and member conferences, including a news magazine, handbooks, reports, articles, and events that all focus on the needs of local government and provide additional educational and networking opportunities.

At the heart of all these activities is VLCT's commitment to serving as a good steward of member assets, and we are proud of the progress we continue to make in that effort. Members are welcome to contact VLCT anytime to ask questions, and to access resources that can help them carry out the important work of local government. For a comprehensive list of member benefits and services, please visit <u>VLCLORD/MEMPERBUIGE</u>.

Upper White River Cooperative Weed Management Association 2021 Report to the Town of Hancock

2021 was the ninth year that the Upper White River Cooperative Weed Management Association conducted non-native invasive plant surveys, outreach and control projects along town roads and trails located in the Upper White River watershed. See map showing the project area boundary, below.

CWMA partners include the Green Mountain National Forest, US Fish & Wildlife Service, Vermont Department of Forests, Parks, and Recreation, Town of Rochester, and White River Partnership.

The members are working together to raise awareness about and manage non-native invasive plants.

Non-native invasive plants are plants that are not originally from this area that have exhibited invasive tendencies, spreading rapidly and taking away habitat that native plants need to thrive. They have the potential to negatively impact land and water resources, recreational opportunities, biodiversity, wildlife, and property values. However, the community at large can play a hand in controlling invasive plants on their own properties and community roads through early detection and rapid response activities.

2021 Summary:

CWMA Coordination:

Grant funding was received, and despite the pandemic, a coordinator was hired, and several tasks were accomplished.

Monitoring and Control:

With the help of Green Mountain National Forest staff and Vermont Youth Conservation Corps, 6.4 acres of wild chervil were controlled on FR 39 in Hancock.

While the infestations that have been and continue to be slated for control represent only a fraction of known infestations, and many more are unmapped, they were chosen because they are either in strategic locations, or are relatively more feasible to control than others, or are part of an ongoing effort in those locations.

Education & outreach:

In April, the CWMA coordinator provided a webinar on ecological landscaping for residents in all the Upper White River CVMA towns (Hancock, Granville, Pittsfield, Rochester, and Stockbridge). In June, Green Mountain National Forest staff offered wild chervil management direction to residents and businesses via Front Porch Forum.

Interested landowners are encouraged to take action to control non-native invasive plants on their own properties, or to get involved with the Cooperative Weed Management Association. To get involved incally, contact MaryBeth Deller at the Green Mountain National Forest at <u>mary deller@usda.gov</u>. Your Community-Owned Connection to the World

ECFiber and the Town of Hancock

Hancock is a member of the East Central Vermont Telecommunications District, a Vermont municipality whose mission is to provide internet service to homes and businesses in its area. During the past year ECFiber added almost 1,700 new customers and now serves over 7,000 premises in 23 towns via 1,500 miles of fiber-optic cable. The district consists of 31 member towns, which, when fully built out, will bring fiber-to-the-premises (FTTP) to about 31,500 locations over more than 2,000 miles network.

In Hancock, ECFiber has completed construction of its network. As of November, 2021, there were 85 customers along 14 miles of network.

ECFiber is funded entirely by customer revenues, which in turn back tax-free municipal bonds issued by the district to raise capital to build our infrastructure. This model is now the state's strategy for solving the rural broadband crisis and eight CUDs like ECFiber are working hard to get going. The once-in-a-lifetime ARPA funds the state received for broadband have been put into the Vermont Community Broadband Fund. ECFiber and ValleyNet leadership were deeply involved in the work of the administration and legislature during the last session and continues to engage with the state and other CUDs in pursuit of the statewide goal of bringing fiber to all homes and businesses on the grid in our state. We invite you to visit our website to learn more about ECFiber, and encourage you to subscribe. You won't be charged anything until we start service.
